Chief Secretary to the Govt of Mysore,

Sir

I have the honour to state that the Superinterdent Civil Veterinary Department Bangalore in his letter No H A 6-28 dated 9th Novr 1932 requested for a handsome donation from the Municipality towards the construction of a well-equipped Veterinary Hospital in the City The Council at their meeting held on 7th January 1933 deferred the subject for being considered at the time of the Budget for 1933-34

In the meanwhile the Superintendent wrote again stating that the putting up of a compound wall around the site of the proposed building was very necessary as some of the donors promised to put up the blocks after the compound wall was put up and requested the Council to have the compound wall put up immediately pending the question of higher contribution The subject was referred to the Managing Committee who recommended that a sum of Rs 4000 be sanctioned for putting up a compound wall for the hospital the amount being treated as the entire contribution from the Municipality towards the construction of the Institution

The Municipal Council approved the above recommendation at their meeting held on 8th April 1933

A copy of the resolution is herewith forwarded with a request that sanction of Government may kindly be accorded to the same Due provision for the expenditure is made in the budget for 1933-34 under "E 3 G Veterinary Hospital "
